An Extraordinary Choice

About Us

Choices Charter School is a **Personalized Learning Public Charter School**. Since 1999, we have offered an educational alternative at **no cost to you**.

As a **FREE** public school option, we seek a partnership with families in the educational process. We provide a campus setting for classes, and a positive and safe environment which builds student respect and self-confidence.

Families and students can choose individual program options that accommodate his/her needs.
